

# Freelance Portfolio

This is a static document, please find more on my [website](#), [beacons](#) & [Github](#)

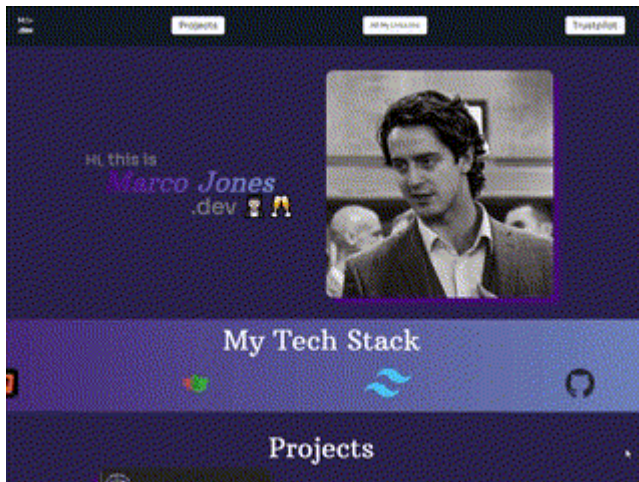

You can also download my [CV](#)

For my from-scratch freelance projects my tech stack is:

- [Remix](#) is the Web Framework of choice
- Media and styling: [Cloudinary](#) for image hosting and styling with [Tailwind](#)
- Email/Password Authentication with cookie-based sessions and role-based User Permissions thanks to Remix.
- Database: SQL Lite (LiteFS) and ORM with [Prisma](#)
- Type safety, static code analysis, and testing: Progressively Enhanced and fully type safe forms with [Conform](#) and runtime schema validation with [zod](#). Unit testing with Vitest. Code formatting with Prettier and Linting with ESLint. Static Types with TypeScript. Local third-party request mocking with [MSW](#)
- CI/CD and hosting: [Fly.io](#) with [Docker](#). GitHub Actions with testing and deploy on merge for both production and staging environments

## [Marco Jones.dev \(in development\)](#)

*Theme Colour switcher – cookie-based defaults to system preferences*

Progressively enhanced Single-page application (Forms to come)

# Are you ready to begin your beauty journey?

It's our mission to ensure you get the knowledge, skills and tutors you need to propel you to the next stage of your chosen profession. Our goal is to place you with the salon and experts who are the best fit for you, using our experience and knowledge to put you in the right place with the right people.

## Our Precious Memories (Wordpress)

### DEDICATED MEMORIAL PAGE

#### Preserve and Share the Precious Memories.

One place to access and manage all the precious memories of your loved one, such as photos and stories, by scanning your unique QR Plate with any mobile device.

### How It Works

#### 1. Order Your Unique QR Plate

It's easy to attach to a headstone, plaque, or any flat surface with the provided adhesive.

#### 2. Create Your Memorial Page

After ordering, you can immediately personalize your dedicated memorial page online.

#### 3. Share and Cherish Memories

Connect with family and friends, ensuring your cherished moments are never forgotten.

Mobile first design

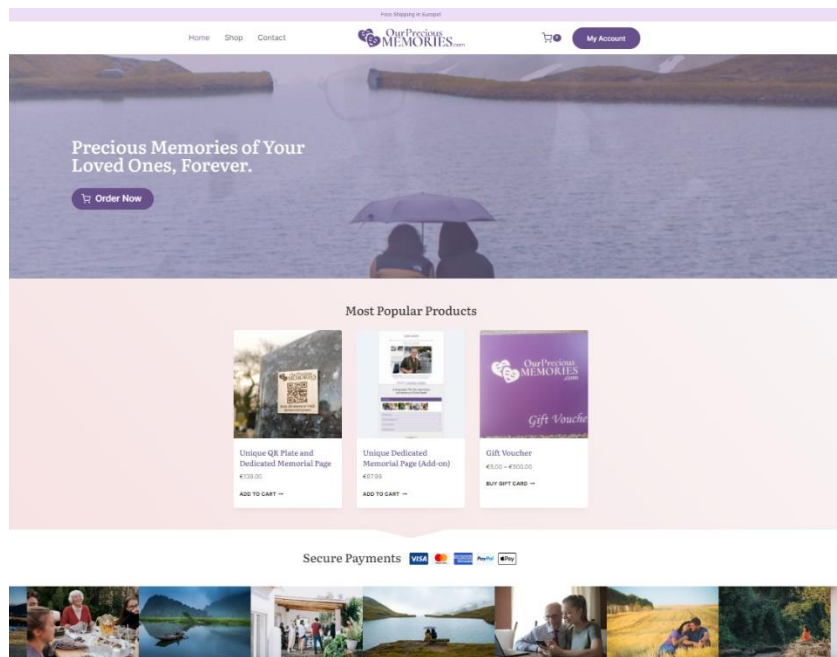

As simple as possible for elderly ideal-user

Colour palette high contrast for legibility

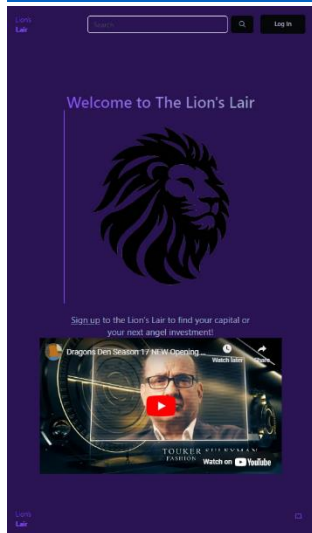

Thoughtful choice of imagery

Branded colour palette

Some custom icons

## Lion's Lair (suspended development)

User authentication signup + social media login

Light/Dark mode

Mobile first design
